Deltapromenade 339 in The Hague - Kijkduin

Experience luxury living in this beautiful apartment with sea views!

Very impressive, spacious and bright apartment on the West with the most beautiful sunset in our country! This beautiful home has the allure of a luxury penthouse. The apartment is no less than 163 m², directly on the boulevard and beach and with a great sea view. This is truly a prime location!

Nieuw Kijkduin is a fantastic location on the Dutch coast. The total renovation that Kijkduin has undergone makes it very pleasant to live here. An environment with class and great comfort.

How nice would it be if every day felt a bit like a vacation. The ultimate feeling of freedom where the good life comes together. Living in a place where the beach is your front garden and you can just as easily walk onto the Kijkduin boulevard or Delta promenade for a delicious dinner or a daily errand. The Deltapromenade is a lower shopping area with a diverse range of boutiques, clothing stores and restaurants. The Daily Taste fresh market is located in a central location in the Promenade.

We offer this beautiful apartment in the architecturally designed Tramontana building. A unique opportunity because a large new-build apartment like this rarely comes on the market.

Prime location by the sea and conveniently located to not only the center of The Hague, but also Amsterdam-Schiphol and Rotterdam. And don't forget public transport within walking distance.
