Layout

Ground Floor / Lower Ground Floor

Upon entering through the impressive marble entrance hall with vestibule and original details, it immediately becomes clear that this is no ordinary residence. From the central hallway, both the formal reception floors and the lower ground floor can be accessed.

The lower ground floor forms the true heart of the home and has been designed entirely around modern family living.

Here you will find a spectacular kitchen-diner of approximately 24 m² featuring a generous central island, premium built-in appliances, a Quooker tap and ample storage and workspace. The kitchen flows directly into the elegant dining room, creating a wonderful setting for extended dinners and family gatherings.

Adjacent is a comfortable family room/TV lounge, offering a relaxed and informal living space. The entire floor benefits from abundant natural light and an excellent connection with the garden.

The dining room features French doors opening onto the exceptional southwest-facing rear garden. This remarkable outdoor space is an

absolute rarity within the Archipel District, offering optimal sunshine throughout the day, exceptional privacy and ample room for multiple terraces. At the rear of the garden there is a detached storage building and convenient rear access.

This floor further includes a spacious hallway, guest toilet, various storage areas, a technical room and access to the lift.

First Floor (Bel-Etage)

The elevated ground floor exudes elegance, space and classical grandeur.

The generous central hall with lift and guest toilet provides access to the beautiful en-suite reception rooms.

At the front is an impressive formal salon featuring bespoke bookcases, soaring ceilings and an authentic atmosphere, making it perfectly suited as a library, music room or reception area.

The second floor is largely dedicated to the luxurious principal suite.

The generous master bedroom features its own walk-in wardrobe, access to the sunny rear balcony and a luxurious en-suite bathroom equipped with underfloor heating, double washbasins, a walk-in shower and steam facilities.
